HALLETT HEARTBEAT

HELLO & WELCOME TO OUR LOCAL COMMUNITY NEWSLETTER!

If you have anything you would like included in the Newsletter, please contact Susan McGloin at smcgloin@live.com.au. Deadline for the November 2025 issue is Friday 24th October. No responsibility or liability will be assumed for any errors or omissions in the content of this newsletter. All information is provided as verified, in good faith.

OCTOBER MINI BREAKS

The Hallett Country Store will be closed the following days whilst we take a couple of short breaks. From 1pm on Friday 10th October, reopening on Sunday 12th October at 9am. We will also be closed on Saturday 18th October, back in store Sunday 19th October.

WHAT'S BEEN HAPPENING IN HALLET DURING SEPTEMBER

- Hallett wishes a fond farewell to Brevet Sergeant Steven West and his wife Victoria as they depart Hallett for their new posting at Riverton. We wish you well and thank you for your time spent keeping our country community safe. There is no news available yet as to when a replacement Police person will be stationed at Hallett.
- There has been activity on both the Heysen and Mawson Trails, with walkers and cyclists visiting our town as part of their travels. We have received feedback from them as to how lovely the countryside is looking now. Keep an eye out if you are travelling on the backroads around Hallett, you just may see them there.
- Roadworks are currently being undertaken on the Mount Bryan East Road. Speed restrictions are in place to 40 km/h as the road is quite narrow where the roadworks are occurring.
- Residents have been busy out in their yards mowing and weeding. Just remember that snakes may be waking up from their winter hibernation, and to keep safe whilst out in the garden.
- Do you want to keep up to date with what is happening in Hallett as it happens? Please let Susan know at smcgloin@live.com.au and she will add you to the Hallett Community Neighbours Group on Messenger.

CELEBRATING HALLETT LOCALS

Congratulations to Joy O'Brien for winning the Adult Quilting and Needlework section of the 2025 Terowie Curious Art Accident.

The lovely ladies at the Thursday Sit and Sew have been hard at work making craft items that are practical and beautiful.

The Memorial Gardens look lovely in their Spring Glory. Thanks to the local volunteers for mowing and weeding them.

Have you been out to Sir Hubert Wilkin's Cottage for a visit? The countryside is looking beautiful and green now with Mount Bryan looking resplendent with the surrounding emerging Canola crops.

WHAT TO PLANT IN OCTOBER

The temperatures are slowly starting to rise, the days are getting sunnier and there is a real sense of Spring in the air. As soil temperatures warm, now is the time to think about our summer harvests and what needs to be planted. Also, a great time to check the health of our soils and improve them with compost and manure. The healthier they are, the better they will be to provide a bountiful harvest for us.

Here is what to plant in your gardens during October:

Vegetables:

Basil, Beans, Beetroot, Brussel Srouts, Cabbage, Carrott, Chervil, Chives, Corn, Kale, Leek, Lettuce, Potato, Radish, Rhubarb, Rosella, Silverbeet, Spring Onion, Swede and Turnip.

Flowers:

Alyssum, Bergamot, Billy Buttons, Borage, Calendula, Cerinthe, Cleome, Corn Cockle, Cornflower, Cosmos, Delphinium, Echinacea, Everlasting Daisy, False Queen Anne's Lace, Hollyhock, Lupin, Marigold, Mignonette, Nasturtium, Nemophila, Poppy, Salvia Seeds, Sturt's Desert Pea, Sunflower, Viola and Zinnia. Happy Planting!

This year the Rose bushes in my garden are flourishing. I can't wait to see them in full bloom and have great hopes for how beautiful they will look. I hope your gardens are responding well to the recent rain and bring you joy each time you step out in them.

Fire Danger Season is just around the corner - Start Preparing Now!

⚠ Winter is a great time to start preparing your property for the Fire Danger Season. A little bit of work now goes a long way to have your property prepared heading into spring and summer.

⚠ Some simple tasks now will keep that spring growth in check and help make your property more manageable as it heats up.

BClean up the autumn leaves on your property, being sure to remember the gutters.

₿Pick up all the sticks and branches downed by wind and winter weather.

#Spray the areas you can't mow or whipper snip, along fence lines, next to structures and among garden ornaments.

#Mow and keep mowing the property to keep grasses and weeds below 10cm.

#Trim desirable vegetation and completely remove undesirable plants and bushes while the soil is soft. Plan and replant your garden with bushfire preparedness in mind.

Make use of your new FOGO bins for the green waste, compost at home or utilise our waste transfer stations. Be sure to keep an eye out for our free green waste days around October.

Be sure to prepare your assets by carrying out maintenance and repairs or at least start planning them for spring. This can be as simple as fixing up shed flashings or addressing gaps in roofing, under eves and around windows and doors.

For further information on preparing your home and property for the Fire Danger Season head to the CFS website below.
